

## THIS WOMAN SAVED FROM AN OPERATION

By Taking Lydia E. Pinkham's Vegetable Compound, One of Thousands of Such Cases.

Black River Falls, Wis.—"As Lydia E. Pinkham's Vegetable Compound saved me from an operation, I cannot say enough in praise of it. I suffered from organic troubles and my side hurt me so I could hardly be up from my bed, and I was unable to do my housework. I had the best doctors in Eau Claire and they wanted me to have an operation, but Lydia E. Pinkham's Vegetable Compound cured me so I did not need the operation, and I am telling all my friends about it."

Mrs. A. W. BINDER, Black River Falls, Wis.

It is just such experiences as that of Mrs. Binder that has made this famous root and herb remedy a household word from ocean to ocean. Any woman who suffers from inflammation, ulceration, displacements, backache, nervousness, irregularities or "the blues" should not rest until she has given it a trial, and for special advice write Lydia E. Pinkham Medicine Co., Lynn, Mass.

## Pretty Bathing Girls Leave the Surf at Brighton In Aid of K. of C.'s \$50,000,000 War Campaign

OLIVE, EDNA AND GLADYS LAKE, AND TOOTS HAMILTON. CONT. FILM 300

The Knights of Columbus convention, at the Waldorf Astoria, is the beginning of a campaign to raise \$50,000,000 for war-service abroad and in the American training camps. A drive was put on at Brighton Beach and the three Lake sisters circulated among the throng on the beach with the result that they collected \$200. The photograph shows left to right: Olive Lake, Edna Lake, Gladys Lake, Toots Hamilton, who assisted the three sisters.

**Seven-Cent Fare Asked by Public Service Company.**  
TRENTON, Aug. 7.—The Public Service Railway Company, through its counsel, L. R. H. Gilmour, to-day made another application to the State Public Utility Commissioners for an increase in fares to 7 cents on all its lines. It was urged that by the Federal Board's decision, allowing a big increase in the payroll, the added fare was absolutely necessary. President Gilmour said the board would fix a date for a hearing.

While my contribution is small, it is all that I can afford, and I make so bold as to suggest that the memorial should be at the only city gate that really exists, viz., the gateway under the Municipal Building, and above the gateway, close to the scene of his labors for the city, should be a facsimile of an airship, and in the airship the figure of our late lamented Mayor."

From John F. Finn, President of the Aurburndale Improvement Association, Aurburndale, Flushing, came a letter, saying:

"He was a remarkable man and died as he lived, fighting for all. I would suggest a statue in United States Army uniform in front of the City Hall. The World is to be congratulated. Kindly accept my thanks for your future lesson to our children."

In addition to the contributors named the following sent in donations yesterday:

City Magistrate Francis A. McCloskey, \$50; J. A. Hemmitt, \$25; P. A. Beal, Poughkeepsie, N. Y., \$10; J. P. Farlow, \$5; J. H. Blumenthal, No. 280 South Ninth Street, Brooklyn, \$2; Jeremiah Butler, \$1; Henry P. Foye, \$1; Robert Hardy, No. 323 West 19th Street, \$1; Anonymous, 25 cents.

Two Contributors Send Suggestions for Statue of Late Mayor.

Contributions, large and small, are being received every day by The World for the Mitchell Memorial Fund. Yesterday's donations of nearly \$300 brought the total amount to \$26,462.76.

Two \$100 checks were in the day's mail. They came from Stuart G. Gibbons, lawyer, and from Frank Vanderlip, President of the National City Bank.

Twenty-five dollars were contributed by J. O. Hammett of No. 511 Fifth Avenue.

With his contribution of \$5, Barnard Keeler sent a letter, saying:

"While I was opposed to the Major politically I was a strong admirer of his militant Americanism, and only wished that I could have had a man like him in the same political fold."

**THREE BROOKLYN STORES**

**THREE BROOKLYN STORES**

Exquisite Voile Blouse, daintily lace-trimmed and embroidered.

WE are now in the first rush of our Pre-Inventory Sales. In view of the fact that this is in many respects a sort of semi-annual house-cleaning, the usual special clearing events arranged for each Thursday are practically trebled in bargain importance. This is especially true because of our including many models that in the ordinary course of business would never be seen in a reduction sale—the great demand for them not warranting a lowered price.

In this case, however, we know only that we have to effect a drastic clearance of stocks—in the briefest possible time. We believe that prices of exceptional attraction will do it. Hence to-morrow's special offer.
